Key strengths of your Egyptian blood donation app (vs. competitors like Blood Bank Egypt and Faselty):

1. Precise GPS for governorates (missing in theirs).
2. Offline mode (only partial there).
3. Emergency push notifications.
4. Blood bank appointment scheduling.
5. Social sharing + campaigns.
6. Auto donor matching.
7. Personal donation history + eligibility reminders.
8. Full Egyptian Arabic support (dialects + local content).
9. Coupons/rewards for regular donors.
